

FlowerChat Member Directory How-To Guide

- 1) Follow a link from FlowerChat, or go directly to www.flowerchat.com/links
- 2) From the Directory Main Page, click on **Submit a Link**.

- 3) Complete the field as shown.

A screenshot of the 'Website Name' form field. The label 'Website Name' is at the top. Below it is a text box containing the text 'Toronto - Martin's, the Flower People'. Above the text box is the instruction 'Please enter the name of the website you are submitting here.'

Your **Website Name** should be entered in this format:
City – Business Name

A screenshot of the 'URL' form field. The label 'URL' is at the top. Below it is a text box containing the text 'http://www.martinflowers.com'. Above the text box is the instruction 'Please enter the URL to the website here.'

Enter the full URL of your website.

A screenshot of the 'Directory' form field. The label 'Directory:' is at the top. Below it is a dropdown menu with the text 'Ontario Retail Florists' and a downward arrow. Above the dropdown is the instruction 'Please select the directory into which your site best fits.'

Choose the appropriate directory to be listed in. FlowerChat offers vendor and florist directories for each state and province. Please be sure to select the proper directory for your business.

Description

Please enter a description for your website.

Family owned retail florist - since 1898!
Specializing in high-end, contemporary design.
Serving the Greater Toronto Area daily:
Toronto, Etobicoke, North York, Brampton,
Vaughan, Concord, Richmond Hill, Thornhill,
Markham - \$12.95 delivery charge Covering all
"M" postal codes.

The description is where you get to say whatever you want about your business. Please note that spelling and grammar errors will delay your listing. Suggested information to enter includes unique details about your shop, areas you deliver to, postal and zip codes, and any other information you feel is relevant.

Keywords

Please enter some keywords for your website
(Used for searching), separated by spaces.

m9a m9b m9c m8y m8x m8z m6s m6n

In the **Keywords** field enter all variations of your shop name that people might search for, as well as all postal codes serviced, and any other keywords you want to be associated with. Please, do not use generic terms like “flowers” or “florist.”
